List**

nuclear
manufacturing
outreach

**March 25-26, 2010
Marriott Irvine
Irvine, CA**

John Alford

Sales Manager
ITT Corporation

Marcelo Algrain

Technical Steward
Caterpillar

Irfan Ali

President and Chief Executive Officer
Advanced Reactor Concepts

William Allen

Senior Project Manager
Bo-Mac Contractors, LTD

David Altman

Federal Regional Business
Development Manager
Eaton Corporation

Nathan Ames

Technical Director
EWI

Charles Andersen

Chief Executive Officer
Transco, Inc.

Denney Apfel

Outside Account Manager
TW Metals - Nuclear Materials Solutions

Gary Augusta

Marton Precision Manufacturing

Zeb Baird

Quality Manager
Lehigh Fabrication

Marsha Balash

Lead Auditor - Nuclear
Global Quality Assurance, Inc.

Georgia Barioni

President and Chief Executive Officer
G.D. Barri & Associates, Inc.

Norman Barker

Vice President, ISM & QA
EnergySolutions, LLC

Scott Barton

Sales and Marketing Manager

Calvin Bates

Service Representative
Laron Incorporated

Stephen Batson

RRAS Cyber Security Program Manager
Westinghouse Electric Company

Michael Beal

Global Radiation Monitoring Systems
Application Specialist
Canberra Industries, Inc.

Tyler Bengard

Marton Precision Manufacturing

Thomas Bernacki

New Build Director
CWFC Nuclear Group/Scientech

Carol Berrigan

Senior Director, Industry Infrastructure
Nuclear Energy Institute

Doug Berry

President
Flow Solutions

Christopher Bond

President
Dragon Valves Inc.

Raul Boza

Product Manager
Cryquip Inc.

James Braun

President
Avantech, Inc.

Denny Brown

Vice President Quality
and Performance Division
EnergySolutions Performance Strategies Inc.

Richard Budzinski

Director, OPEX and Quality Systems
Dresser, Inc.

John Bunten

Corporate Quality Manager
LPR Construction Company

Douglas Burton

Manager, Marketing
Cameco Fuel Manufacturing, Inc.

Kevin Cablik

Sales Manager
Anasteel and Supply Company, LLC

Martin Capoferri

vice president
Ezeflow Inc

Charles Chambers

Assistant Vice President, Pre-Construction
Power and Industrial
Sachs Electric Company

Greg Chapas

Sales Engineer
Major Tool and Machine

Mike Charley

Vice President
LPR Construction Company

Scott Chesworth

Senior Consultant
Structural Integrity Associates, Inc.

Kenneth Christian

Nuclear Product Manager
Fluid Components International

Tom Christian

OEM Sector Manager
CWFC Nuclear Group

Joseph Ciancio

Director, Sales and Marketing
Bralco Metals

Stephun Cliver

Vice President, Supply Chain
GE Hitachi Nuclear Energy

Marshall Cohen

Senior Director, State and Local
Government Affairs
Nuclear Energy Institute

Jason Cole

Business Development Director
Project Assistance Corporation

James Colgary

Director, Governmental Affairs
Nuclear Energy Institute

Brian Coords

Vice President
Advanced Powertech Inc.

Dean Cottle

Program Manager, RCP and Module Sourcing
Westinghouse Electric Company

Matt Coverdale

Premier Technology, Inc

Mark Coy

Quality Manager
JD Machine

Mark Crawford

Account Executive
Morris Bean & Company

John Crenshaw

Vice President, Engineering and Construction
STP Nuclear Operating Company

Kenneth Curtis

Director, Sales and Marketing
and Customer Relations
LEWA Inc.

Tom Daggett

President
Hutchinson Manufacturing

Jim Darling

Engineered Product Sales
Microflex, Inc.

Jeffrey Dave

President
Dave Steel Company, Inc.

Bill Davidson

Nuclear Power Manager - Americas
Clyde Union Pumps

Sarah Davis

Marketing Director
MOGAS Industries

John Dawson

STP Project Material Manager
Fluor Nuclear Power

George Deaton

Senior Technical Consultant
Hartford Steam Boiler, I & I Company of
Connecticut

Scott DeLay

Regional Sales Manager
F&M Mafco, Inc.

Matthew Dewitt

Director of Business Development
Barton Nuclear Products
Cameron Measurement

Michael Dickerman

Vice President
Hutchinson Manufacturing

Jeff Diestler

Territory Manager, PlaxStream
MOGAS Industries

Eric Dominquez

Pacific Forge, Inc.

R. W. Duff

Vice President and Chief Operating Officer
G. D. Barri & Associates, Inc.

Bradley Dunkin

Vice President, Nuclear Products
Oregon Iron Works, Inc.

Kevin Durkin

Vice President of Business Development
Matrix Service Inc.

Joseph Edwards

Manager, Strategic Market Development
MetalTek International

Robert Edwards

Service Representative
Laron Incorporated

Greg Else

Sales
Kansas City Equipment

Mario Esquivel

Plant Superintendent
Anasteel & Supply Company, LLC

Robert Exton

Nuclear Procurement Operations Manager
Bechtel Power Corporation

David Faulkner

Physcial Scientist
U.S. Department of Energy

Gabriel Faustinos

Senior Estimator
Arena Painting Contractors

Bruce Fekete

Account Executive
Shultz Steel Company

Ron Fincher

Senior Vice President, Nuclear
Project Assistance Corporation

Mike Fisher

Sales Manager
JD Machine

James Fisicaro

Senior Project Manager, Advanced
Reactor Licensing
Nuclear Energy Institute

Michael Flanigan

Sales Manager, Power Systems
Milton Cat Power Systems

Don Fletcher

Sales
Remason Services

Mike Foulds

Vice President
Mitech Controls

Eleanor Frank

Vice President, Sales and Marketing
Container Research Corporation

Peter Frantz

Vice President Sales , Director of International
Business Development
STRUCTAL

Kevin Friedrich

Global Account Director
Eaton Corporation

Yasuto Futagoishi

Engineering Department, Industrial Solutions
Factory, Higashimurayama Plant
Nikkiso Co., Ltd.

Lyle Gallagher

Account Executive
CaranPrecision Engineering & Manufacturing

Theodore Garrish

Vice President
CH2M Hill

Kathryn Gerlach

Senior Project Manager, Manufacturing,
Supply Chain
Nuclear Energy Institute

Brad Gerrard

Director, Business Development
Project Assistance Corporation (PAC)

Mark Goehring

President
Triflow Corporation

Bob Goel

Vice President, Nuclear
CCI Thermal Technologies Inc.
3L Filters 2007

Scott Gowdy

Senior Licensing Engineer
GE Hitachi Nuclear Energy

James Grams

Project Field Procurement Manager
Bechtel Power

Bruce Grassano

Senior Director Business Development
Container Research Corporation

Daniel Griffin

Sales Engineer
CaranPrecision Engineering & Manufacturing

Anthony Grimes

Inside Sales
MOGAS Industries

Mark Gwynn

District Manager
American SpiralWeld Pipe/Ductile Iron Pipe

Lisa Hackmann

Domestic Sales Engineering Manager
Cooper B-Line

Eric Hale

Key Account Manager, New
Nuclear Construction
Control Components Inc

Bart Hall

Technical Services Manager
Stork Materials Technology

Amy Hammarstrom

Vice President
General Rubber Corp.

Edward Hanley

Senior Project Manager
Clark Construction Group, LLC

Marlin Hanstad

Director, Corporate Sales and Marketing
Alro Steel Corp.

Michael Harim

Senior Manufacturing Engineer
Westinghouse Electric Company

James Harris

Vice President Western Region
Barnhart Crane & Rigging

Philip Hasrouni

Principal
Hopper Engineering Associates

Craig Haynie

Energy Vertical Market Leader
Trane

David Hedrick

Market Consultant
Caterpillar Inc.

Robert Heggveit

Marketing Director
Arena Painting Contractors

William Henwood

Vice President, Nuclear Power Division
Valvtechnologies, Inc.

Robert Herbert

Power Industry Manager
MOGAS Industries

Juan Hernandez

Quality Control Manager
Cryoquip Inc.

Thomas Herring

Director of Engineering
Dragon Valves, Inc.

Mark Hickman

Manager Product Development
Wyman-Gordon

Jonquil Hill

Director, Engineering
MOGAS Industries

Richard Hockman

Director, Sales and Marketing
Veridiam, Inc.

Toby Hollier

President
Severe Service Specialists

Larry Hooper

US EPR Strategic Sourcing
AREVA NP Inc.

Brian Hopper

Engineer
Hopper Engineering Associates

Erik Hostvedt

President
HPI Sales

Paul Hume

National Sales Manager
Paul Mueller Company

Ricky Jackson

Senior Vice President of Operations
Fluid Engineering

Mike James

Western Sales Director
ISCO Industries

Rolfe Jennings

Technical Marketing Manager
CMC Americas

John Johnson

President
JETS Consultants

Argan Johnson

President
Star Seismic LLC

Joe Jolitz

Vice President Business Development
Astro Cosmos Metallurgical

Samuel Jones

Vice President, Outage Services

Mark Kaiser

President
Lindquist Machine Corporation

Brian Katz**Daniel Kaufman**

Manager, Operations
Quality Management Company

Jonrow Kazzaz

Project Engineer
AREVA

John Keeley

Media Relations Manager
Nuclear Energy Institute

Greg Keller

Strategic Business Development
Nuclear Logistics Inc.

Gary Kilgore

Sales Manager
Salzgitter Mannesmann Stainless Tubes

Fredrick Klorczyk

Group Vice President, Nuclear
Mistras Group, Inc.

Tom Kral

Senior Vice President,
Business Development Construction
Stein Construction Company, Inc.

Dan Kral

Project Manager
Stein Construction Company, Inc.

Terry Krietz

Safety and Occupational Health Manager
U.S. Department of Energy
environmental Management

Richard Largent

Operations Manager
Master-Lee Hanford Corp.

Dayton Lawman

Director of Sales, Navy and NUcelar Products
Flowserve-Limitorque

Jim Leachman

Senior Vice President and General Manager
CWFC - Nuclear Group

Pedro Lopez

Project Manager
CH2M Hill

Rodney Lovgren

Sourcing Lead
Westinghouse Electric Company

Timothy Lulling

Western Regional Sales Manager
MetalTek International

Michael Lynch

System Integration Manager
AREVA Enrichment Services

Tom Lyon

Commercial Nuclear Projects
Program Manager
General Dynamics Electric Boat

Carmine Macchiagodena

Plant Manager
Lehigh Fabrication, LLC

Jim Macroglou

Utility Regional Sales Manager
ERICO

Robert Malito

President, Management
Girard Machine Inc.

Harry Manolopoulos

Project Procurement Manager
Bechtel Power Corporation

Alexander Marion

Vice President, Nuclear Operations
Nuclear Energy Institute

David Martin

Nuclear Sales Manager
SPX/Copes-Vulcan

Daniel Marton

President
Marton Precision Mfg. Inc.

William Maykowski

Vice President, Sales and Marketing
Canton Drop Forge

William McCabe

Sales Engineer
Industrial Testing Laboratory Services

Brett McGlone

Technical Specialist
HSB Global Standards

Buddy McShan

Territory Manager
MOGAS Industries

Robert McWey

Manager, Projects Oversight
Southern California Edison Company

Matt Miles

Market Manager, Nuclear
Edgen Murray Corporation

Melanie Miller

Marketing Associate
Global Quality Assurance (GQA)

Jeremiah Miller

Field Sales Representative
ATI Allegheny Ludlum

Spencer Mitchell

Sales Engineer
Carver Machine Works Inc.

Hiroaki Miyata

President and Chief Executive Officer
Nikkiso America, Inc.

Matt Mogas

President and Chief Executive Officer
Mogas Industries

James Moody

Director, Commercial Services
General Dynamics Electric Boat

Robert Moscardini

Sales and Business Development
AT&F Nuclear, Inc.

Tom Mudge

Nuclear Quality Manager
URS - Washington Division

Robert Murray

Acting Director, Office of Standards
and Quality Assurance Environmental
Management
U.S. Department of Energy

Hari Nair

Director, Nuclear Industry
Dresser Flow Technologies

Robert Nelson

Chief Safety Officer
U.S. Department of Energy

Michael Nicolls

Division Manager
Wagstaff Applied Technologies

Desiree Nikolic

Sourcing Materials Lead
Westinghouse Electric Company

Steven Nugent

Quality Assurance Manager
Anasteel & Supply Company, LLC

Joe O'Meara

Territory Manager
MOGAS Industries

Richard Oehlberg

Principal
Oehlberg Consulting

Joe Oleszewski

Procurement Engineer New Plants
AREVA Reactors & Services - US

Jerry Oliver

Chairman, NFC
EWI

Robert Owen

Chairman
Paxton & Vierling Steel Co.

Tyler Owen
Vice President
Lincoln Structural Solutions

John Panetti
President
Team Industries, Inc.

Brad Parks
Sales
Petersen Incorporated

Darren Parnell
Vice President, Business Development
Turner Industries Group, LLC

Robert Pascucci
Procurement Manger
Hitach Power Systems America, Ltd.

Mahesh Patel
Manager, Engineering Services and Projects
Curtiss-Wright Flow Control Company - EES
Engineering & Services

Dan Payne
Business Development Manager
Diversified Metal Products

Arthur Pearson
Applications Engineering Manager
RDF Corporation

Larry Perkins
Nuclear Engineer
U.S. Department of Energy

Paul Petrich
General Manager
Peerless Electric

Dave Piolatto
Sales
Mitech Controls

James Polgar
Sales Manager
Technibus

Stephen Porach
Senior Sales Engineer
Cooper B-Line

Keith Porter
Director, New Build
Curtiss-Wright Flow Control Corporation

Mark Price
Sales Manager, Environmental
PaR Systems, Inc.

Kenneth Quinn
Director, Supply Chain
Westinghouse Electric Company

Tom Rankin
Vice President and General Manager
ITW Jetline Engineering

Alan Raymond
Project Manager - Economic Development
Tennessee Valley Authority

Benjamin Richter
Chief Executive Officer
Bradford Airport Logistics

Ross Ridenoure
Senior Vice President and Chief Nuclear
Officer
Southern California Edison Company

Vice President, IT and Controls Division
Ktech Corporation

Thomas Roche
Vice President, Nuclear
ABS Consulting

Alfredo Santos
Director, Commercial Strategy Energy
CEMEX Inc.

Mark Schmit
Program Manager, National Accounts
NIST/Manufacturing Extension Partnership

Stephen Schuermann
Senior Quality Assurance Specialist
Longenecker & Associates

Robert Schuetz
Marketing Manager
Sargent & Lundy, LLC

Daniel Schwartz
Business Development Manager
Mid Columbia Engineering, Inc.

A. J. Shaka
Professor Of Chemistry
University of California, Irvine

Bret Sheldon
President
CINC Industries, Inc.

Brian Shelfer
Sales Representative
Edgen Murray Corporation

Robert Shepard
Vice President,
Commercial Nuclear Projects
Longenecker & Associates

Katrina Shuman
Senior Manager, Nuclear Procurement
URS - Washington Division

Edward Simonini
Director, Technical Services
Hilti Inc.

Michael Simpson
Director, MEP System Operations
NIST/Manufacturing Extension Partnership

Jeffrey Soltis
Industry Segment Manager, Power
Generation
Bohler Welding Group USA

Morris St. Angelo
Strategic Program Manager
Glenmount Global Solutions, Inc.

Edward Staples
President
S & S Steel Fabrication

Mark Stapleton
General Manager
Headed Reinforcement Corporation

Susan Stegman
Marketing Director
F & M Mafco, Inc.

Carl Steiner
Chief Executive Officer
Fluid Engineering

Leslie Summers
Application Engineer
Clyde Union Pumps

Kelsey Swenson
Business Development
ABW Technologies, Inc.

Patricia Szczuka
Vice President
Computed Tool & Engineering, Inc.

Chino Takashi
General Manager
Nikkiso Co. Ltd.

Bob Taylor
Regional Sales Manager
ITT Standard

Edwin Terres
Director, Procurement
Shaw Power

James Thompson
Director Business Development-Nuclear
Hilti, Inc.

Fred Tinker
President
Pacific Drafting, Inc.

Gerald Toole
Vice President, Sales
Hirschfeld Industries

Clay Trantham

President, E&I Division
Hirschfeld Industries

Yolanda Troxell

Director
Wolverine Fire Protection Co.

James Ulrich

Market Development Manager
O'Neal Steel

Tom Vernon

Outside Sales Representative
