

THURSDAY, OCTOBER 8

Registration

7 a.m.–noon

Continental Breakfast

7–8 a.m.

Morning Session

8 a.m.–noon

Logistics

8–8:05 a.m.

Carol L. Berrigan
*Senior Director, Industry
Infrastructure*
Nuclear Energy Institute

Welcome

8:05–8:10 a.m.

Opening Remarks

8:10–8:30 a.m.

TBD

**What Every Nuclear Supplier
Needs to Know**

8:30–9:30 a.m.

▪ **Market Outlook in the
Government Sector**

TBD

▪ **Market Outlook in the
Commercial Sector**

Tony Pietrangolo
*Senior Vice President and Chief
Nuclear Officer*
Nuclear Energy Institute

▪ **What Does a Nuclear Project
Look Like?**

John Elnitsky
*Vice President, Nuclear Plant
Development*
Progress Energy

Reactor Designer Panel

9:30–10 a.m.

Tom Sliva

AREVA NP Inc.

*Vice President, Supply Chain
Nuclear Plant Projects*
GE Hitachi Nuclear Energy

Daniel Merkovsky
*Manager, NPP Primary Component
Sourcing and Products*
Westinghouse Electric Company

Craig Hansen
*Vice President Nuclear
Manufacturing & Product Line
Development Manager*
Babcock & Wilcox

Break

10–10:30 a.m.

**Engineering, Procurement and
Constructor Panel**

10:30–11:45 a.m.

Robert Exton
*Manager, Nuclear Procurement
Operations*
Bechtel Power Corporation

Ted Garrish
Vice President
CH2M Hill

[Type text]

Tom Dawson
STP Project Material Manager
Fluor Corporation

Edwin Terres
*Director, Nuclear AP1000
Procurement*
Shaw Power

Katrina Shuman
Manager, Nuclear Procurement
URS – Washington Division

Dennis Demoss
*Senior Vice President, Project
Director*
Sargent & Lundy

Overview of QA Sessions and Workshops

11:45 a.m.—noon

James Fisicaro
*Senior Project Manager, New
Nuclear Plant Deployment*
Nuclear Energy Institute

J. Michael Simpson or TBD
Director, Systems Operations
NIST Manufacturing Extension
Partnership

Lunch and Procurement Expo

Noon–1:30 p.m.

Procurement Expo Cont.

1:30–4 p.m.

This session features direct interactions with procurement personnel, including:

Fluor
GE-Hitachi
Progress Energy
Sargent & Lundy
The Shaw Group
URS – Washington Division
Westinghouse

Quality Breakout Sessions 3–6 p.m.

FIRST SESSION 3–4:15 p.m.

Break Out A Parts, Materials and Services Requiring a 10 CFR 50 Appendix B Quality Assurance Program

James Fisicaro
*Senior Project Manager, New
Nuclear Plant Deployment*
Nuclear Energy Institute

Jeff Baysinger
*Manager Vendor Audits - Nuclear
Oversight*

TBD
U.S. Department of Energy

TBD
FPL

Break Out B Parts, Materials and Services NOT Requiring a 10 CFR 50 Appendix B Quality Assurance Program

TBD

Derek Smith
*Sourcing Leader - Fleet Material
Sourcing*
FPL

[Type text]

Tom Mudge
Nuclear Quality Manager
URS – Washington Division

Doug Van Tassell
Executive Vice President
AP Services, Inc.

SECOND SESSION

4:30—6 p.m.

Break Out A (repeated) **Parts, Materials and Services** **Requiring a 10 CFR 50 Appendix B** **Quality Assurance Program**

James Fisicaro
Senior Project Manager, New
Nuclear Plant Deployment
Nuclear Energy Institute

Jeff Baysinger
Manager Vendor Audits - Nuclear
Oversight

TBD
U.S. Department of Energy

TBD
FPL

Break Out B (repeated) **Parts, Materials and Services NOT** **Requiring a 10 CFR 50 Appendix B** **Quality Assurance Program**

TBD

Derek Smith
Sourcing Leader - Fleet Material
Sourcing
FPL

Tom Mudge
Nuclear Quality Manager
URS – Washington Division

Doug Van Tassell
Executive Vice President
AP Services, Inc.

FRIDAY, OCTOBER 9

Workshops **8 a.m.–noon**

▪ **Workshop A**

Introduction to NOA-1 and Department
of Energy Quality Assurance
Requirements

David Faulkner
U.S. Department of Energy

Duskin Lowe
U.S. Department of Energy

▪ **Workshop B**

Introduction to NIST Manufacturing
Extension Partnership programs, and
overview of services to help suppliers
meet nuclear industry requirements

Speakers TBD
